THREE FANTASTIC ENTERTAINMENT SPACES.

Ask yourself, where would you like to take in this unique night of entertainment and be waited on? If you enjoy the comfort of being indoors, any of our three **Temlee Dining Room** spaces will suit. If you're seeking a mix of chic indoor and outdoor entertaining, then head for **The Deck**. For the full trackside experience, complemented with the comfort of a private undercover area and bar, then book a corporate marquee on **The Terrace** and cheer the chasers as they fly by.

THE DECK

The Deck is the perfect and most sophisticated entertainment space we offer at **The Meadows**. Comprising of an elegant indoor space, with a private bar, multiple audio-visual screens and doors that open out onto a wide timber boarded deck area, it's the space everyone wants to be in when they party at **The Meadows**.

It's the perfect space for our **Stand-up Cocktail Packages**. Located in front of the 525m start boxes, it offers an electric atmosphere and fantastic vantage point as the chasers zip by it twice in every race.

TEMLEE DINING ROOMS

Our magnificent level one **Temlee Dining Room** offers three fabulous entertaining spaces - Main, East & West. All are extremely versatile and perfectly suited to our **Seated Dining Packages**, with East and West also suited to cocktail style events.

All three spaces have floor to ceiling windows, capitalising on their elevated locations, and sweeping views of the track and the Melbourne city skyline. They are the perfect vantage point to take in the nights racing and be superbly entertained and hosted in stylish surrounds.

TERRACE MARQUEES

Adjacent to the racetrack finishing line and the first turn, **The Terrace** is where all the fast paced action takes place. This large raised open outdoor space is covered in artificial lawn, making it perfect for all-weather celebrations. Offering its own private bar and designated wait staff, it makes for sensational entertaining.

Able to accommodate both large and small groups, **The Terrace** is dressed with corporate event style marquees and outdoor furniture at this time of year, perfect for holding a stylish alfresco celebration in the evening twilight. If it's fun you're after, booking a marquee on **The Terrace** delivers this in spades.

End of year celebrations booked on a race night do not incur a venue hire fee. Non-race night celebrations have a venue hire fee.

Minimum requirements need to be met for all package options as follows. THE TERRACE: 15 or more guests. TEMLEE EAST: 20 or more guests. TEMLEE WEST: 40 or more guests. DECK: Minimum total spend of \$3000 (No minimum guest requirement). *20% off total package price, Friday nights only.
